Part – A: Trade, Investment, Economy, industry & Commerce update

1. **India remains fastest growing major economy amid global slowdown: PM Modi in Oman**
   Prime Minister Narendra Modi underscored India's robust economic performance, saying the country continues to be the fastest growing major economy at a time when several leading global economies are facing headwinds. "A few days ago, economic growth data was released – India's growth has risen about 8%. This means India remains the fastest growing major economy, even as the world faces challenges, PM said.

2. **Labour codes to formalize employment, inspectors to be facilitator: Mansukh Mandaviya**
   Labour Minister Mansukh Mandaviya dismissed concerns that the recently enforced labour codes would encourage hire & fire and inspector raj, and said the new laws will formalize employment while inspectors will be facilitators. Under the new codes, government permission is not required for layoff, retrenchment, and closure of units with workers' strength of up to 300. Earlier, units with up to 100 workers did not require such permission.

Export Promotion Workshop under Raising Acceleration MSME Performance Scheme (RAMP).

 

Session on the Export promotion workshop under raising acceleration MSME performance scheme (RAMP) was successfully conducted at the BIA Office. A total of **50 members** participated and gained valuable insights from
Sri P. Nagesh, JD–DIC, **Sri. Aravind Bhat, TReDs Consultant, Sri. S Prakash, Assistant Director, DIC.**

RAMP (Raising and Accelerating MSME Performance) is a scheme being implemented in collaboration with the Ministry of Micro, Small and Medium Enterprises (MSME), Government of India.

The objective of this scheme is to enhance the competitiveness of MSMEs (Micro, Small and Medium Enterprises) and to promote their sustainable and inclusive growth.

Objectives of RAMP Scheme under TReDS & ESM:

1. To provide MSMEs with knowledge on exports and international market research.
2. Guidance on export regulations, documentation procedures, and compliance.
3. Information on trade channels, partnerships, and B2B meetings.
4. Use of digital platforms (GeM, Udyam Portal & others).
5. Support for innovation and start-ups.
6. Detailed information on government-supported MSME schemes.
7. Awareness about exports and foreign exchange fluctuations.
8. |Industrial expansion and enhancement of economic capacity.
9. Government export promotion policies and subsidies.
10. Awareness on improvement of Balance of Trade.

Environment noncompliance from few members

Please refrain from open disposal and utilize the CSWM plant for proper waste management.
